submit news, or an editorial comment contact:**

Jamie Brozman – 484-221-3455  
[justenuffangus@gmail.com](mailto:justenuffangus@gmail.com)

This has included our National Junior Angus Show that was moved from Harrisburg, PA to Oklahoma, our 2020 Finest Female Sale that was changed to a virtual sale and also cancelled this Spring, our 2020 Breeders Show that was cancelled, the 2021 PA Farm Show and our PA Angus Annual Banquet were cancelled due our governor's mandates. Because of these cancellations, the PA Board of Directors decided to put forth a slate of officers and vote on that slate of officers. Here are the Officers and new Directors for 2021.

President – Scott Brown

Vice-President – Chris Jeffcoat

Secretary – Jamie Brozman

Treasurer – Brad Bishard

Directors – John Hausner, Will Nichols,  
Gene Trowbridge, and David Bell

Our juniors were well represented at the 2021 MAJAC show. Congratulations to all that attended. It was good to see everyone in person. The PA Performance Bull Sale was held as a virtual sale. ANL Deep Well 0039 from A&L Angus was the high selling lot at \$6900. 52 Angus bulls averaged \$2972. I want to personally thank the people who sent bulls to the test as well as the buyers of the bulls.

Looking forward, the Atlantic National has been moved to Tennessee for 2021. We are moving forward with plans for the 2021 PA Breeders Show June 30 – July 3. Thank you to Tiffany Bell, Karen Breeding, and Hope Jacobs as they work towards getting this show back on track. Our county and local fairs are making plans to get back to a normal schedule and I am optimistic that the fall shows will happen as usual.

Finally, I would like to thank the officers and directors and the membership for the opportunity to lead this organization. It has been rewarding, fun and at times (2020 Covid-19) frustrating.

Thank you very much,

Chad Cash

Past-President PA Angus Association

## Message from our Past-President

Good Morning Pa Angus Breeders,

Sitting down to write this letter for the last time, I am reminded of all the things we have done over the past three years. I am also reminded that we did not get to do any of those things in a normal way last year due to Covid-19.

**Message from our New President**

Fellow PA Angus Breeders,

As your newly elected President of the PA Angus Association, I want to offer many thanks! First off, a big thank you to all of you as members for putting your faith in me to lead this great association in 2021. I have always been amazed at the unselfish dedication from the members of this organization for the good of the whole. I will do my best to listen and lead us as an organization throughout the coming year and make us stronger. There are many challenges facing our industry right now and there has never been a better time to be prepared with the right tools to protect our way of life and the cattle we love. I am looking forward to working with many of you as we start to open back up and can promote the Angus breed in Pennsylvania!

Thank you to Chad Cash for leading our association the last three years as President, your commitment to our membership has been greatly appreciated! As a member of the 2020 Junior National Executive committee, I appreciated your calm voice of reason as we dealt with the Covid pandemic that ultimately caused the Junior National to be moved from PA to Oklahoma. I hope that I can follow in the footsteps of you and many of our past Presidents knowing I made a difference once my term is up.

Thank you to our PA Juniors. You are the lifeblood of this organization and I am proud to say the future is very bright! Many of you endured the pains of trying to host a Junior National during a worldwide pandemic, your hard work and dedication did not go unseen. I was honored to serve with many of you on the show committee and I was extremely impressed with your work ethic and professionalism, this is a great tribute to not only you, but your parents and family members that have supported you throughout your life. I am looking forward to being a part of the next great Junior Angus event that happens in the state of Pennsylvania!

I know our operations are all different in some way, but if we have a common goal of doing the best we can to support each other and promote the Angus breed, we can all contribute to the success of it in some way. I look forward to getting to know many of you better over the next year and create new opportunities for all of us to enjoy Angus cattle!

Best Wishes and Kind Regards,

Scott Brown, PA Angus President

### **Message from the Junior Advisors**

Hello PA Junior Members,

Summer is just around the corner and with that comes numerous Angus opportunities! Below you will find a list of upcoming deadlines. In addition, attached to this email is a document outlining the many educational contests offered through the National Junior Angus Association. Although many of these contests do require you to attend the national show, there are some contests that are available that do not. These contests are a wonderful way to develop life skills, meet new people and learn more about the Angus breed.

If you have any questions about the deadlines or the NJAA Contests, please feel free to contact an advisor. Look forward to seeing you throughout the summer months!

Sincerely,  
The PJAA Advisors

### **2021 Important Dates and Deadlines**

#### **May 15**

- Entry deadline for the Photography, Writing, Cook-off & Graphic Design contests.
- Ownership and early entry deadline for NJAS and Phenotype and Genotype Show cattle entries.

#### **May 25**

- Entry deadline for the Prepared Public Speaking and Career Development contests.
- Late entry deadline for NJAS and Phenotype and Genotype Show cattle entries. Only online entries accepted for late entries.

#### **June 15**

- Early entry deadline for LEAD 2021.
- Gary M. Stoller Jumpstart Your LEADership Award registration scholarship and Thomas A. and Catherine Chambers LEAD Awards registration deadline.

#### **June 24**

- Deadline for sign-up of the following contests: Extemporaneous, Judging, Skill-A-Thon, Auctioneering and Beef Science Poster contest.

#### **July 1**

- Late entry deadline for LEAD 2021.

### **Message from our Junior President**

Pennsylvania Junior Angus Association

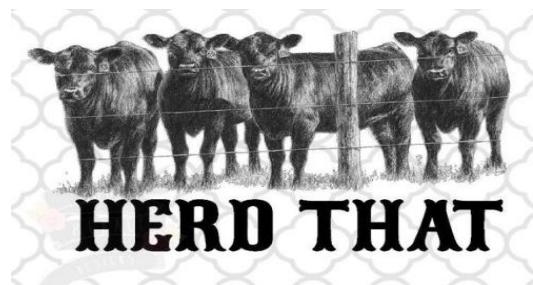

Well, 2021 has no doubt been different than most years, but as a junior association, we have been able to overcome many obstacles and get back on track! Even though the year is still young, the juniors are working on getting ready for many different events and cannot wait to be back in the show ring now that events are beginning to open!

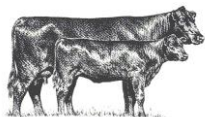

In December, several exhibitors made the trek to Circleville, OH and showed at the PA Livestock Youth Expo. Shortly thereafter, a handful of juniors headed down to Harrisonburg, VA to compete at the Mid-Atlantic Junior Angus Classic. All juniors had an extremely successful weekend, including Reserve Grand Champion Bred and Owned Bull, exhibited by Kolton Grim and Madison Weaver being named Champion Senior Showman!

Currently, the juniors are starting to prepare for the PA Angus Breeder's Show! All of the juniors are selling tickets for the meat raffle that will take place at Breeder's Show. If you are interested in purchasing tickets for this fundraiser, reach out to a junior or comment on the PJAA Facebook page! Additionally, several juniors are beginning to prepare for the 2021 National Junior Angus Show, held in Grand Island, NE.

While we certainly are not back to normal, things are starting to head in the right direction. Throughout these next few months, the juniors are excited to be back in the show ring and meet again as a junior association! We are hopeful that it will not be long until we are all reunited with our show families!

Respectfully submitted,  
Kaitlin Bell  
2021 PJAA President

## **2021 PA Bull Test Results**

The results from the Pennsylvania Performance Tested Bull Sale held on Friday, March 26, 2021 was held **online only** through Cowbuyer.com.

**Sale average on 54 Angus bulls was \$2,820.00**

Top selling bull was consigned by A&L Angus, Rebersburg, Pa., with ANL Deep Well 0039, a February son of KCF Bennett Deep Well E222. He sold to Alan Beck, of Lehighton Pa., for \$6,900.

Second high selling bull was consigned by Grant Cash, York, Pa., with Cash Enhance H018 X002, a February son of SydGen Enhance. He sold to Colm Ryan of Hobart, Ny., for \$5,300.

Third high selling bull was consigned Grant Cash, York, Pa., with Cash Enhance H008 Z203 a February son of SydGen Enhance. He sold to Tom Logan, of Irwin, Pa., for \$5,200.

## **2021 McKean Bros. PT Angus Sale**

**Sale average on 34 Angus bulls was \$3,189.00**

**5 Open heifers averaged \$1,790**

**5 Spring Pairs averaged \$2,420**

**2021 Mid-Atlantic Junior Angus Classic (MAJAC)**

**3/13-14/21 - 107 owned females, 2 cow/calf pairs, 54 bred-and-owned females, 55 owned steers, 14 bred-and-owned steers, 10 bred-and-owned bulls and 78 Angus-based crossbred steers. Judge: Scott Bush, Britton, SD**

### **OWNED HEIFERS 107 Shown**

Senior Heifer Calf Champion: Beaver Creek Blackcap 096

Exhibitor: Madison Bowen, Centre Hall, Pa.

Reserve Senior Heifer Calf Champion: Beaver Creek Scaara 093. Exhibitor: Zoey Baker, James Creek, Pa.

### **BRED-AND-OWNED HEIFERS 54 Shown**

Senior Heifer Calf Champion: Beaver Creek Peg 087

Exhibitor: Kinleigh Grim, Thomasville, Pa.

### **BRED-AND-OWNED BULLS 10 Shown**

Reserve Grand Champion Bull: Beaver Creek RIP 033

Exhibitor: Kolton Grim, Thomasville, Pa.

### **ANGUS-BASED CROSSBRED STEERS 78 Shown**

Reserve Champion Middle Weight Angus-Based Crossbred Steer. Exhibitor: Dylan Fessler, Robeson, Pa.

### **SHOWMANSHIP**

Novice Showmanship

Reserve Champion: George Webster, Saint Thomas, Pa.

Junior Showmanship

Reserve Champion: Kolton Grim, Thomasville, Pa.

Senior Showmanship

Champion: Madison Weaver, Ephrata, Pa.

**SAVE THE DATE - June 30-July 3, 2021**

**PA Angus Breeders' Show**

**Huntingdon, PA**

## **2021 National Junior Angus Association's**

### **Raising the Bar Officer Training**

Laney Reasner and Kierson Reasner, both of Neelyton, representing the Pennsylvania Junior Angus Association, were among several Angus youth at the 2021 National Junior Angus Association's Raising the Bar Officer Training, April 8-11 in Montgomery, Ala. Forty-six juniors from twenty-one state junior Angus associations participated in the course, geared toward building stronger leaders while forming important regional relationships.

## **Quality Carcass Spreads Turn Up Early**

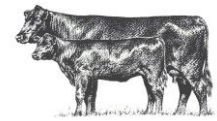

By Paul Dykstra, Certified Angus Beef Questions or comments about this article can be emailed to

[editorial@feedlotmagazine.com](mailto:editorial@feedlotmagazine.com)

Mar 3, 2021

Last week's fed cattle trade rounded out February and a full month of \$114/cwt. weekly average prices. The two weeks in the middle of the month marked by extreme weather and insufficient fed cattle to harvest-space put a cap on cattle prices as packers found themselves well-supplied.

The large 666K-head federally inspected slaughter last week was packers' best effort at backfilling the boxed beef pipeline as processing logistics returned to normal. Unfortunately for cattle feeders, the short-term bottleneck came at a time when finished cattle inventories were still bulging. Look for another large weekly slaughter this week, as packers have every incentive to keep the pipeline full.

The leading indicator that feed yards need to regain currentness is carcass weights. The latest confirmed report shows combined steer and heifer carcass weights remain 20 lb. heavier than a year ago and 35 lb. heavier than the same week in 2019.

The carcass weight issue has become quite a tired topic for many of us but looking at it through a different lens puts it in perspective. Multiplying that 20 lb. of extra weight across 500,000 head, for example, yields the equivalent of an additional 11,627 lb. of carcasses. Granted, increased production is coming through the system in larger cuts of boxed beef and grinds, which don't use any additional shackle space in the packing plant. Yet the added tonnage on the market is not insignificant.

Cutout values have been on an amazing departure from seasonal norms through February, reaching their second highest point in history for the month. February 2015 posted a higher cutout price peak than February 2021 but fed cattle supplies were in a shortage then. Even with the weather interruptions in the packing sector last month the weekly slaughter totals for fed cattle were 14% larger than in February 2015.

Ribeyes and strip loins are still pricing well above their normal range for the past few weeks and middle meats continue to be the hot subprimal price movers. A break in boxed beef prices is surely coming ahead of the spring buying frenzy.

## QUALITY CARCASS SPREADS TURN UP EARLY

In the last edition of the Insider, we focused on the Choice/Select price spread. So far in 2021, Choice carcasses are at a higher premium to Select than in any of the previous five years. This is important, not because Choice carcasses are the production target, but because the producer's share of the Choice premium is the foundation on which CAB and Prime premiums are added. Since January 1, the USDA Grid Premiums and Discounts report shows an average Choice premium of \$12.08/cwt. compared to the five-year average of \$5.49/cwt.

Successful grid marketing in today's production environment often requires a higher degree of marbling achievement than the Choice grade. When yield grade 4 and heavyweight carcasses are as prevalent as they've been for months, it takes more premiums to surpass the discounts.

Fortunately, CAB and Prime premiums have remained at elevated price points thus far in the 1st quarter. The charts illustrate the CAB premium on a higher trajectory than any of the previous five years, reaching a \$5.59/cwt. weighted average across packers in the latest data. It's notable that CAB-certified carcasses have also been more numerous on a weekly basis than in any of the comparison years.

A similar picture exists for Prime grid premium values in 2021 as well. The year-to-date Prime premium has averaged \$15.07/cwt., which is \$1.79/cwt. above the five-year average. The Prime comparison differs from the CAB premium comparison in that the Prime price was higher in 2018 for the time period described.

It's also clear in the charts that the Prime grid price is on a decreasing plane since mid-January. This stands in contrast to the increasing CAB premium, although both of these carcass categories have seen plentiful supplies in 2021 as a proportion of the total.

The fact that Prime carcasses constituted almost 12% of the national steer and heifer carcass mix for the week of February 15th is the likely cause behind the premium decline we're describing. This is easily a record Prime share of the total during a period that has seen 6% to 10% Prime carcasses in February of the previous five years.

This detailed assessment of high marbling, premium carcass trends is more than rhetoric from a source vested in the premium branded beef business. Rather, it's a depiction of the true price drivers in today's beef market. During a period in which frustration is abundant surrounding price discovery and price mechanisms for fed cattle, these are price signals that are above expectations compared to most recent years.

While the noted challenges are very real and not to be dismissed, we're simultaneously experiencing exceptional beef demand for the very best product that we collectively have to offer.

### GENETICS MAKE ALL THE DIFFERENCE

Spring bull sales have been well underway for weeks and the market for quality Angus bulls is proving to be quite good again. Genetic merit is so important to the total production picture—it's the one decision that we make every year with intentions that our investment pays off in accrued benefits over time.

Selecting bulls that will sire replacement heifers opens up the entire array of EPDs and selection indexes as potential priorities for cow/calf producers. Understandably, when selecting bulls in herds where replacement heifer will be kept, cattlemen rank marbling below their top five priorities. The prioritization process often hinges on how engaged the producer is with the next sector of the beef supply chain. Those retaining ownership through the feedlot and others marketing feeder calves with a reputation for performance and carcass merit will likely deploy minimum thresholds for terminal traits, such as carcass merit and post weaning growth.

Our Targeting the Brand™ program assists Angus bull buyers in readily identifying bulls that should sire calves with above-average potential to meet the CAB brand specifications at harvest. With a goal of at least 50% CAB accepted carcasses, the thresholds for both the Marbling EPD and \$Grid indexes for the program have been set to easily identify qualified sires whose progeny will distance themselves from the industry average of 36% CAB acceptance.

May is Beef month is just around the corner. We wanted to share with the agriculture community the efforts we'll be employing for the month-long effort celebrating, BEEF!

**BEEF.** IT'S WHAT'S  
FOR DINNER.

This year, May is Beef Month efforts will be aimed at giving back to our communities and families across the state through a campaign to support PA Eats! PA Eats is a non-profit organization that helps to showcase Pennsylvania's unique food culture and supports member food banks across the state.

The PA Beef Council (PBC) has planned several programs and projects to highlight beef and we'd appreciate your help in joining us! One of the most notable, is an effort noted above to support PA Eats mission, which is feeding Pennsylvania families. The PBC has a limited edition, specially designed **EAT BEEF t-shirt** for sale. All proceeds from the t-shirt will be directly donated to PA Eats to further support their efforts to fund member food banks.

Link to order Beef Month T-Shirts-  
<https://teamlocker.squadlocker.com/#/lockers/may-is-beef-month?k=s0ksbh>

In addition, two hands and pans style videos will highlight beef as an affordable protein that can be utilized in a multitude of recipes; including a cook once, eat twice recipe dish where home cooks can prepare a roast and enjoy multiple family meals. Also, look for beef to appear on-screen via digital streaming and traditional TV which will target to producer audiences via YouTube streaming and traditional TV commercials with WJAC in their Central PA market.

Whether you're a beef producer, consumer or supporter, May is the time to celebrate all things beef! To keep up with all of the May is Beef Month programming, follow the PBC on Facebook or visit our website at [www.pabeef.org](http://www.pabeef.org). Also, we encourage you to share your t-shirt, May is Beef Month highlights and more using the hashtag **#EATBEEFPA** all month long!

Help us share BEEF and all its greatness to our communities!

Thanks in advance,

**Nichole Hockenberry**

***without you the Breeders' show would not be a success!***

## 2021-PENNSYLVANIA ANGUS BREEDERS SHOW

### Rules and Regulations

July 1, 2 & 3

1. All Exhibitors must be members of the PA Angus or Junior Angus Associations. Any member of these Associations is eligible as long as their membership is valid on June 15 preceding the show.
2. **READ CAREFULLY:** All animals must be owned/transferred by **JUNE 15<sup>th</sup>**. A junior must show his/her own cattle. Out of state juniors may show only PA bred cattle in the junior show. PA resident juniors only in showmanship.
3. All entry forms must be sent to the PA Angus Association no later than **JUNE 15<sup>th</sup>**, with appropriate fees.
4. All junior heifers, bulls, and cow/calf pairs are eligible to be shown in the Breeders Show Open Class. The entry fee for heifers and bulls for both shows is a total of \$30/head. Entry fees for cow/calf pairs for both shows is \$45/pair. Steers show in the junior show only and are \$20/head.
5. Entries received after June 15 will be charged double entry fee. Substitutions will be accepted at double entry fee.
6. Each exhibitor must supply his/her own feed, hay and straw (for tie outs). Free bark bedding will be provided in the barn.
7. **All animals must have a legible tattoo in both ears, which corresponds to the registration paper. CHECK YOUR TATTOO BEFORE COMING TO THE SHOW! Exhibitors must bring original registration papers to the show. MAKE SURE YOU HAVE YOUR REGISTRATION PAPERS IN HAND TWO WEEKS BEFORE THE SHOW—copies cannot be used. Tattoos will be checked.**
8. Each exhibitor must keep manure removed from the aisle behind the animals and deposit it at the place designated outside the building. Each exhibitor must clean up his entire tie out area before leaving the show grounds at the completion of the show.
9. All exhibitors and cattle must be in place by 12:00 p.m. on Thursday, July 1<sup>st</sup>, and will be released when all activities are completed.
10. **THE PA ANGUS ASSOCIATION BOARD OF DIRECTORS VOTED TO FOLLOW THE AMERICAN ANGUS ASSOCIATION RULES CONCERNING COLORING AGENTS: "...no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited." THIS RULE PERTAINS TO SHOWS WHICH ARE SPONSORED BY THE PA ANGUS ASSOCIATION ALSO, WHICH WOULD INCLUDE THIS BREEDERS SHOW.**
11. All blocking chutes must be used in designated areas.
12. **No dogs allowed on the fairgrounds! (Fair Board Policy)**
13. The Show Committee reserves the right to refuse any entry offered and to require the removal from the grounds any exhibit which the Show Committee feels for any reason to deem unfit.
14. The exhibitor assumes all risks for damage or loss either to person or property. It is further expressly understood and agreed between exhibitor and the Huntingdon County Fairgrounds, which the show incurs no liability or obligation to the exhibitor other than to permit the exhibitor to use the buildings or grounds for exhibit.
15. Exhibitors must allow their cattle to be used in judging, showmanship contests or demonstrations if asked to do so.
16. All decisions of the show committee are final.
17. Any or all premiums will be calculated after the show, and will be paid when all bills have been received and paid.
18. Fifty (50) head need to be shown in the Open Show to qualify for premiums from the American Angus Association.
19. Angus steers can be shown by PA Angus Association Junior members only. The Grand Champions and Reserves may be blood typed.
20. Under American Angus Association rules, standard class breaks do not have to be used in dividing classes. Classes will be divided after all the cattle are checked in. The show committee reserves the right to divide divisions based on entry numbers.
21. All vendors must register with the Show Committee prior to the Show.
22. Spotlight Show—eligible heifers for this show had to be purchased on the 2018, 19, 20 Finest Female Sale.
23. No nurse cows are allowed on the premises.
24. Due to more cattle and the bark situation, the show committee will do stalling assignments. If you have someone you need stalled with, please indicate with entries, or contact Jamie Brozman by June 15<sup>th</sup> with requests. All attempts will be made to accommodate your requests.

## **JUNIOR SHOW CLASSIFICATION**

All junior events will take place on Thursday and Friday. All junior cattle are encouraged to also be entered in the open show on Saturday. Please make sure you have the cattle at the show by 12:00 p.m. check in time on Thursday.

### **RULES FOR JUNIOR SHOW:**

1. **Ownership/transfer and entry deadlines will be June 15<sup>th</sup>, along with membership deadline.**
1. **A junior must show his/her own cattle.**
2. **Out of state juniors may show only PA bred cattle in junior show.**
3. **PA resident juniors in showmanship only.**
4. **Any PA junior Angus member may participate in Showmanship, you are permitted to use an animal other than your own. (Approved 10/5/12 PA Angus BOD)**
5. **Ages of juniors showing in Junior show must correspond with National Junior Angus Show rules, except for Showmanship. Junior must be 8 years of age on January 1, 2021.**

**JUNIOR COW/CALF CLASS**—Cow may be any age, calf must <280 days born on or after 9-24 2020 and must be a bred and owned calf—the pair must be in the junior name only. Calf must have its own registration paper. Calf may also be shown in bred and owned heifer or bull show. Grand Champion and Reserve Cow/Calf.

**JUNIOR BRED AND OWNED BULL SHOW**—Junior bred and owned bulls calved on or after January 1, 2020, shown by class, no divisions. Bulls born before 1/1/21 must be shown with a nose lead. Grand and Reserve Grand Champion bred and owned bull.

**JUNIOR REGISTERED ANGUS STEER SHOW**—steers born after January 1, 2020. Steers will be weighed and shown by age.

**JUNIOR BRED AND OWNED HEIFER SHOW**—Heifers calved after September 1, 2019 and bred by the junior. Heifers will be shown by class and division, beginning with the youngest. Junior heifer calf champion and reserve; senior heifer calf champion and reserve; intermediate champion and reserve; junior champion and reserve; senior champion and reserve, and Grand Champion Heifer and reserve.

**JUNIOR SPOTLIGHT SHOW**—Heifers purchased at the 2018, 2019 & 2020 Finest Female Sale and calved after September 1, 2019.

**JUNIOR OWNED HEIFER SHOW**—Heifers purchased by a junior member and in that juniors name only, and calved after September 1, 2019. Heifers will show by class and division, beginning with the youngest. Same divisions as listed in bred and owned heifer show.

**JUNIOR SHOWMANSHIP**--All juniors who sign up will be divided into different age groups at the discretion of the show committee. Each participant will receive a gift compliment of Frey Show supply. The Grand Champion and Reserve will be selected with special awards! Ages will be divided evenly at the show.

**JUNIOR PREMIER BREEDER** will be awarded at the conclusion of the Junior shows.

## **BREEDERS SHOW HEALTH REQUIREMENTS**

### **EXHIBITION OR SHOW REQUIREMENTS FOR CATTLE:**

Cattle shall be identified by an official ear tag or other unique identification device approved by PDA. Official identification includes: A USDA-issued National Uniform Ear tagging System (NUES) ear tag having a US shield ; or A 15 digit Animal Identification Number (AIN) ear tag starting with "840" and having a US shield ; or Other identification approved by the PDA (brands and breed registrations with tattoos are not acceptable).

1. Certificate of Veterinary Inspection (CVI) issued after May 1, 2021.
2. All animals must be free of evidence of infectious and contagious diseases and a statement of this should be written on the CVI.

#### **It is Recommended**

1. A current rabies vaccination administered by a licensed veterinarian is for animals 3 months of age and older market steers do not need rabies (observe appropriate slaughter withdraw time).

#### **Out of state cattle: Please visit**

**Please make check payable to PA Angus Association and mail by June 15<sup>th</sup> to:  
Jamie Brozman, 356 Township Line Rd., Nazareth, PA 18064**

## HOW YOU CAN BE OF HELP AT THE BREEDERS SHOW!!

The Breeders Show is certainly one of the high points of the Angus year. You exhibit your cattle, renew old friendships, make new ones, spend quality time with your family, eat great food and participate in the fun auction and judging contests.

The Breeders Show takes a lot of money to operate. It also takes a lot of volunteers. We hope you will consider contributing to ensure the continued success of the show. We have many new members who may not understand the total picture regarding the financing of this show. While we receive some funding from the State, money also comes from entry fees and some from the generous contributions of our members. Sponsorships are available in the categories listed above. Please consider where you can help. You will be recognized throughout the three-day event!

**ALL SPONSORS RECEIVE RECOGNITION IN THE SHOW CATALOG AND NEWSLETTER;  
RECOGNITION BANNER IN SHOW RING (\$100 OR MORE);  
PICTURES TAKEN WITH THE CHAMPIONS (\$250 OR MORE).**

**WE THANK YOU FOR YOUR SUPPORT!**
