Message from our Past-President

PA Angus Members,

I hope this finds you all doing well and enduring the long Pennsylvania winter we are currently experiencing. Looking out my office window I noticed a few plants starting to push some green shoots up through the mulch, a sure sign that spring is just around the corner and green pastures are coming! I am sure many of you are well into your calving season and others are just getting started, it is good for the soul to see cows and calves dotting the pastures and barnyards once again. Much like yours I am sure, our family always wishes it didn't take 283 days to see the results of your breeding decisions come to life!

As we get ready for the PA Bull Test Sale and the PA Finest Female Sale at the PA Animal Evaluation Center in PA Furnace on Friday March 25th, your Board of Directors and Officers have been working together preparing for our next Board meeting and the future of the PA Angus Association. There are several items on the agenda for the meeting regarding membership, annual meeting, state awards, directory, and website updates. Please be looking for updates and information on these topics after our March Board meeting at the Bull Test Sale.

With all the supply chain issues we seem to be facing daily, one thing that remains constant is the demand for Angus beef! There will always be challenges and hurdles to overcome, but good quality and consistency always seems to prevail, regardless of the industry. The cattle industry is no exception, as a breed we have done an excellent job creating a brand that is known for its premium quality and is the most recognized signature of quality in the beef business!

I look forward to seeing many of you at the PA Bull Test and PA Finest Females sale in a few weeks, there is a very nice offering of Angus bulls and females in these two sales. Please encourage your friends and neighbors to attend and as many good auctioneers would say "bid early and bid often"!

Best Regards,

Scott Brown, President PA Angus Association

**PA Livestock Evaluation
Center, PA Furnace.**

With 2022 approaching, we wanted to make junior members, parents, and breeders aware of some important changes that will go into effect starting January 1, 2022.

NJAA WEBSITE

As many of you may or may not be aware, the National Junior Angus Association website is updated with information on the upcoming year's events and shows on January 2nd of each year. This also includes the coveted information on the National Junior Angus Show hotel blocks.

You will also find updated general rules, contest rules, calendar, and entry forms.

ONLINE ENTRIES

The last couple of years, we have worked to streamline our online entry process to allow for a seamless transition of moving all show, contest and conference entries and registrations online. Starting in 2022, we will **NO LONGER** be accepting paper entries. All entries **MUST** be submitted online.

- Junior show entry forms will be found on the [NJAA website](#) on January 2 for the following shows: MAJAC, Eastern Regional, Western Regional, National Junior Angus Show, Atlantic National, All American Angus Breeders Futurity and Northwest Regional Preview.
- Open show entry forms will be found on the Angus website under Events > Cattle Shows for the following shows: Western National Angus Futurity, Atlantic National, and All-American Angus Breeders Futurity.

OWNERSHIP DATES

In addition to online only entries, we will **NO LONGER** be accepting postmark dates for ownership of NJAA sponsored shows (MAJAC, Eastern Regional, Western Regional, Atlantic National, All American Breeders Futurity, Northwest Regional, and National Junior Angus Show).

This means:

- 1) All ownerships dates will be based on **process date**, which can be found at the bottom of the registration paper or animal look-up.
- 2) Any animal needs to be registered **by or before** the ownership deadline. For example, if the ownership date is May 1, 2022, the process date needs to be on or before May 1, 2022.
- 3) This applies to bred and owned animals as well. All bred and owned animals need to be registered by the ownership deadline.
- 4) Any animals that require DNA will need to **CLEAR on or before** the ownership date. This includes ET calves, so please plan accordingly. [Here](#) is a guide outlining the process of submitting DNA and the timeline of receiving results.

Below is a table of ownership deadlines for NJAA sponsored shows.

NJAA sponsored shows	Ownership Date (process date)	Show dates
Mid Atlantic Junior Angus Classic (MAJAC)	Feb. 1	March 11-13
Western Regional Junior Angus Show	March 1	April 14-16
Atlantic National Junior Angus Show	April 15	May 27-29
All American Angus Breeders Futurity	May 1	June 10-12
Northwest Regional Preview	May 1	TBD
Eastern Regional Junior Angus Show	May 1	June 16-19
National Junior Angus Show	May 15	July 2-9

Shows like American Royal, North American (NAILE or Louisville), Cattlemen's Congress and National Western currently recognize process date as ownership. There will be no change for these shows.

RULE CHANGES

The General Rules are rules that the American Angus Association has adopted for use at it's National, Regional and Regional Preview Junior Angus Shows. As mentioned above, these will be updated on the NJAA website on January 2nd. Anything that is listed in red is used to bring attention to changes and/or clarifications.

We would like to bring attention to Rule 5 under Eligibility of Exhibitors and Entries.

5. Entries will be submitted online only. No substitutions will be accepted after the entry deadlines.

"PENDING" or "APPLIED FOR" will not, under any circumstances, be accepted online in the registration column on the entry form. You **MUST** have a registration number before completing your online entry form.

This applies to all animals including bred and owns. For animals that require DNA to be registered, we encourage you to plan accordingly to the time it takes to submit and receive results back to clear for registration. You can find a guide outlining the process of submitting DNA and the timeline of receiving results [here](#). Or [a short 60-second video can be watched here](#).

COW/CALF PAIR RULE

The Events and Education Committee voted to change the NJAA specific show rules for Owned Cow-Calf Pairs. The change pertains to ownership restrictions of the calf at side.

For shows without a separate division for bred and owned vs owned cow-calf pairs, the rule will read:
Any cow-calf pair may be exhibited provided the following rules are met by the junior exhibitor:

- A. Cow must be bred-and-owned or solely owned by the exhibitor at the time of ownership deadline.
- B. Calf must be the cow's most recent natural calf and must be born less than 280 days from the date of the show.
- C. Calf must be registered and tattooed by show date and have original registration paper.

For shows with separate divisions for bred and owned vs owned cow-calf pairs, the rule will read:

Any bred-and-owned cow-calf pair may be exhibited provided the cow and calf are both bred-and-owned by the junior exhibitor and the following rules are met:

- A. Cow must be bred-and-owned by the exhibitor.
- B. Calf must be the cow's most recent natural calf and must be born less than 280 days from the date of the show.
- C. Calf must be registered and tattooed by show date and have original registration certificate.

Any cow-calf pair may be exhibited provided the following rules are met by the junior exhibitor:

- A. Cow must be solely owned by the exhibitor at the time of ownership deadline.
- B. Calf must be the cow's most recent natural calf and must be born less than 280 days from the date of the show.
- C. Calf must be registered and tattooed by show date and have original registration certificate.

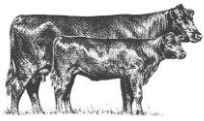

With questions regarding any of the changes, don't hesitate to reach out to the Events and Education Department at 816-383-5100 or events@angus.org. We are looking forward to a great year ahead!

Hello PA Junior Members,

Summer is just around the corner and with that comes numerous Angus opportunities! Below you will find a list of upcoming deadlines. Watch your e-mails for additional info outlining the many educational contests offered through the National Junior Angus Association. Although many of these contests do require you to attend the national show, there are some contests that are available that do not. These contests are a wonderful way to develop life skills, meet new people and learn more about the Angus breed.

If you have any questions about the deadlines or the NJAA Contests, please feel free to contact an advisor. Look forward to seeing you throughout the summer months!

Sincerely,
The PJAA Advisors

PA Angus Annual Awards

Below is a description of the 4 awards handed out at the PA Angus Banquet held this year at the Breeders Show.

Seedstock Producer of the Year: An individual (family) that concentrates on raising breeding animals with optimum genetics for the breed and the beef cattle market on a whole. This individual will market bulls, replacement females, semen and embryos to other seedstock producers or to cow-calf producers that would fit their requirements. This individual must be a paid dues member of the Pennsylvania Angus Association. No one person or family can win this award within 5 years of receiving Seedstock Producer of the Year.

Nominations are open for this award please submit a brief description of a farm you believe best fits the above award. Submit your nomination to Deric Horting no later than April 30th, 2022.

Promoter of the Year: An individual who helps to promote the state association and the Angus Breed through different state and local functions throughout the year. This individual must be a paid dues member of the Pennsylvania Angus Association. No one person or family can win this award within 5 years of receiving Promoter of the Year.

Nominations are open for this award please submit a brief description of a farm you believe best fits the above award. Submit your nomination to Deric Horting no later than April 30th, 2022.

Stewardship Award: An individual who has the best interest in protecting the land and utilizing it for the best ability of the cattle. This individual is not only concerned about improving the environment but also improving the cattle management within their farm or ranch. This individual must be a paid dues member of the Pennsylvania Angus Association. No one person or family can win this award within 5 years of receiving Stewardship Award.

Nominations are open for this award please submit a brief description of a farm you believe best fits the above award. Submit your nomination to Deric Horting no later than April 30th, 2022.

Breeder of the Year: This recipient is selected based on a points system from the 2 state sanctioned shows that are held every year. The recipient must also be a paid dues member of the Pennsylvania Angus Association. This would be the Pennsylvania Angus Breeder Show (June or July) and the Pennsylvania State Farm Show (January of the following calendar year). Points are accumulated at each show by how well the cattle are placed from each breeder the points are tallied on one AAA member code, NO families or groups will be calculated together. NO points for Champions, Divisions, Group Classes or Cow/Calf Classes. The points are accumulated as followed: 1 st place: 5 points; 2 nd place: 4 points; 3 rd place: 3 points; 4 th place: 2 points; 5 th place: 1 point. In case of a tie 6 th place could possibility receive 1 point. The breeder with most accumulated points at the completion of these 2 PA state sanctioned shows will be selected as Breeder of the Year.

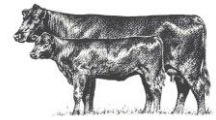

Family of the Year: The Family of the Year is selected by the previous Family of the Year. It is to their discretion on who they believe should receive this award in the up-coming year. This family must be a paid dues member of the PA Angus Association. A family may only win this award one time ever. (If the family wins the award while the children are young, that same family can win again when the children have a family of their own, ie: next generation).

PENNSYLVANIA LIVESTOCK EVALUATION CENTER

49th Annual Performance Tested Bull Sale - Friday, March 25, 2022, NOON

- 56 Angus bulls are cataloged for the sale—they are listed inside this newsletter, averaging 4.19 pounds/day gain on test after the test was completed at 112 days.
- All bulls are ultrasonically scanned for back fat thickness, ribeye area and marbling, over 50% are Genomic Enhanced pedigrees, and over 50% are Calving Ease!
 - All bulls are given a complete breeding soundness and semen evaluation prior to the sale.
- These Angus bulls represent many of the top pedigrees in the beef industry. These are the top 66% of the Angus bulls that were on test.
 - online only through Cowbuyer.com, Cowbuyer.com at: 336-363-4639.
- View the videos of the bulls on www.youtube.com. The catalog can be found at www.livestockevaluationcenter.com. A link at this site shows the videos!

Fellow Pennsylvania Angus Breeders,

I hope your new year is going well and your start to the new calving season is either underway or will be soon with much normalcy.

The beginning of 2022 for the PA Angus Association posed more challenges due to the winter weather and the surge in Covid cases. Cancelling the annual banquet was necessary and from the responses we have heard was the right choice. As promised the board met last night with a very eager and productive meeting to help the PA Angus Association move forward.

First and foremost always remember Reese Tuckwiller, our regional manager is a wealth of knowledge and can be easily contacted with questions or concerns. Reese was part of our board meeting and we thank him for joining and guiding us as we navigate forward. Reese can be reached at rtuckwiller@angus.org or on his mobile at 308-360-3048.

Our next event will be the **PA Performance Tested Bull Sale on Friday, March 25, 2022**. Over two-thirds of the bulls selling are Angus an excellent representation. Following the bull sale is the **28th PA Finest Female Sale**. 26 hand picked live lots and a select number of embryos will sell an excellent offering.

Now on to the exciting suggested changes.

- The board voted to call an emergency annual meeting during the **PA Breeders Show, Friday June 24, 2022**. Details will emerge soon on the banquet. Questions or concerns should be directed to Scott Brown at vmf.cattle@gmail.com or by phone at 717-250-7101.
- A by-laws committee was created to review and suggest changes, these changes will be presented to the board for a vote at the March 25, 2022 meeting, after the meeting the changes will be presented to the membership in the form of the newsletter, prior to the emergency annual meeting. Chairing this committee is Cheryl Fairbairn she can be reached at lisnageerfarm01@aol.com or by phone at 484-614-7183.
- Year end awards will be given out at the emergency annual meeting, should you have anyone to nominate please do so this is your association. Awards open for nomination are Promoter of the Year, Seedstock Producer, and Stewardship, a formal nomination form will be in the upcoming newsletter. If you have any questions please direct them to Deric Horting at deric.horting@yahoo.com or by phone at 717-503-5408.
- A marketing committee was formed to discuss changes to our media output. The current directory for 2022-2023 has been tabled. Chairing the committee is Chris Jeffcoat if you have a suggestion or concerns please reach out to Chris at rustyroofangus@gmail.com or by phone at 717-476-1496.
- The PA juniors discussed the recent Kansas wildfires at the PA Farm Show, they voted to donate \$1,500 to the relief fund, it was properly moved and voted on by the adult board to match the Juniors donation and send an additional \$1,500.
- Election of 2022 officers will take place during the emergency annual meeting Friday, June 24, 2022. The nomination committee is Kyle Grim, Dale Rains, Tim Livingston and Butch Otto, should you have any questions or nomination recommendations please reach out to chairman Kyle Grim at beavercreekangus@gmail.com or by phone at 717-324-9869.

Best Regards,
Scott Brown
PA Angus Association President
