Message from our President

PA Angus Association Members,

Good day to you all! I hope this finds everyone doing well and enjoying the spring weather, it sure is nice to see the cows and calves grazing on some green grass and enjoying the warmer temperatures. This spring has brought those of us involved in agriculture plenty of challenges when it comes rising input costs and market challenges. The cost of fertilizer, feed, fuel, equipment, and freight has made many of us question how we manage our individual operations and how we will adapt to the new "normal" we are experiencing. One thing remains constant, people need to eat.... with hard work, persistence, and common sense we will continue to feed the world one day at a time! As I see it, the Angus breed is now more important than ever with all the challenges we are facing. The ability and efficiency of the angus cow to produce a calf and breed back year after year while utilizing forages to maintain herself and her offspring is truly a remarkable accomplishment! The demand for good efficient cows and high-quality angus bulls will remain strong in the coming years as many in the beef industry look for ways to remain competitive.

Those that participated or attended the PA Bull Test and PA Angus Finest Females sale at the end of March should have been encouraged by the strong interest and prices for the angus cattle that went through the ring. I talked to several first-time buyers that purchased either bulls or females that day with the intention of starting a beef herd, a few of them recently sold their dairy herds and were looking for ways to utilize their land and stored feeds. Many of these families had been using angus bulls on their dairy cows and heifers to produce good efficient and marketable offspring. They commented that it was only natural for them to consider starting their beef herds with angus genetics, good news for those of us raising and selling bulls, cows, and heifers for breeding purposes!

As we prepare for our PA Angus Breeders show and annual meeting June 23, 24, and 25th at the Huntingdon County Fair Grounds, I would like to welcome you all to attend and be a part of this great event. Our breeders show committee has been working hard to make sure all the details are worked out and that we have another successful show. One major change for 2022, we will be having our annual business meeting and banquet during the Breeders show this year. This will take the place of the annual meeting that occurred during PA Farm Show for many years. Our hope is that we will have many more of our members in attendance and actively participating than in years past. Look for details about the annual meeting and banquet in the newsletter.

Have a great May and I look forward to seeing many of you in June at the Breeders Show!

Best Regards,
Scott Brown, President PA Angus Association

Junior President Message

Pennsylvania Junior Angus Association,

I'm glad we're getting back into our normal routines after everything that has happened the over the past months. It has been great to catch up with everyone as shows have returned. The Pennsylvania Juniors started off strong at the Pennsylvania Farm Show. The Angus breed was well represented, and we accomplished a lot in our junior meeting.

Pennsylvania was well represented at MAJAC in Harrisonburg, VA in March. We would like to recognize and congratulate the success of our juniors! Faithlynn Moore exhibited the Owned Senior Heifer Calf Champion, Kolton Grim exhibited the Bred-and-Owned Reserve Junior Champion Heifer, Kinleigh Grim exhibited the Grand Champion Bred-and-Owned Steer, David Bell exhibited the Reserve Champion Bred-and-Owned Steer, and Karli Berkheimer exhibited the Grand Champion Bred-and-Owned Bull. Kolton Grim also brought home Champion Junior Showman!

We would like everyone to be aware of upcoming dates. Eastern Regional entries are due May 1 and National Junior Angus Show entries are due May 15. We will be in contact with everyone who is attending these shows to plan as a group. Everyone should also be aware of the new changes in 2022 for the NJAA regarding submitting entries and ownership deadlines. All entries must now be submitted online and postmark dates for ownership will no longer be accepted. The advisors sent an email about this information earlier this year. Additional information can be found on NJAA website <https://www.angus.org/njaa/home/shows>.

Be on the lookout for information about our meat raffle fundraiser! We are planning to distribute tickets to everyone at Breeder's Show and the drawing will be held at KILE this fall. We will update on other events throughout the year. I'm looking forward to seeing what our association accomplishes this year!

**Upperman named
executive director of
Angus Foundation
Angus leader steps
into new role**

The American Angus Association® has named Jaclyn Upperman executive director of the Angus Foundation. She will lead the Foundation's mission of serving Angus youth, education and research.

"Jaclyn's passion for the Angus family runs deep," said Mark McCully, chief executive officer for the American Angus Association. "We are fortunate to have her extraordinary enthusiasm and drive leading the Foundation."

The Foundation is a 501(c)(3) not-for-profit and an affiliate of the Association.

A product of the National Junior Angus Association and its leadership opportunities, Upperman knows the ways the Foundation influences the success of the junior program.

"I've had the privilege of seeing first-hand the positive impact the Angus Foundation can have," Upperman said.

Upperman has served as the American Angus Association Director of Events and Education, including junior activities, for eight years. Many of the junior programs are funded by the Foundation, providing opportunities for Angus youth to develop strong leadership skills for the future of the breed and agriculture.

"The combined legacy of so many Angus supporters makes a difference in not only youth programs, but also in education and research initiatives for the beef industry," she said. "I'm excited to lead efforts to expand the Foundation's reach."

A native of Chambersburg, Pennsylvania, Upperman served on the National Junior Angus Association board of directors from 2009 to 2011. She worked for the American Chianina Association before directing the Events and Education department for Angus.

Upperman replaces Thomas Marten, who leaves the Foundation to pursue seminary studies. Marten joined the Foundation in 2020 and had a significant impact in his two years. Caitlyn Brandt, who has worked side-by-side with Upperman for six years, will be promoted to the Director of Events and Junior Activities. Upperman and Brandt will take on their new roles beginning March 7.

For more information about the Angus Foundation, please visit angus.org/Foundation.

HOW YOU CAN BE OF HELP AT THE BREEDERS SHOW!!

The Breeders Show is certainly one of the high points of the Angus year. You exhibit your cattle, renew old friendships, make new ones, spend quality time with your family, eat great food and participate in the fun auction and judging contests.

The Breeders Show takes a lot of money to operate. It also takes a lot of volunteers. We hope you will consider contributing to ensure the continued success of the show. We have many new members who may not understand the total picture regarding the financing of this show. While we receive some funding from the State, money also comes from entry fees and some from the generous contributions of our members. Sponsorships are available in the categories listed above. Please consider where you can help. You will be recognized throughout the three-day event!

**ALL SPONSORS RECEIVE RECOGNITION IN THE SHOW CATALOG AND NEWSLETTER;
RECOGNITION BANNER IN SHOW RING (\$100 OR MORE);
