## ***Across The President's Desk***

Dear Fellow PA Angus Breeders,

Greetings from your newly elected President. I'm extremely excited and humbled to have this opportunity to serve you and our organization. Thank you, Scott Brown for your service and guidance as I step into this new role. You have done a great job growing our memberships' involvement in several areas and you have laid down great ground work for our long-range growth in the PA beef industry. I really appreciate the extra effort you have put in to our youth programs as well. And we would not be where we are today, without the efforts of Dale Rains, vice-president, Brad Bishard our treasurer and Chris Jeffcoat our secretary, as well as each director who serves to improve our association and members' needs.

As I visit with breeders across our state, I am impressed with the quality of Angus cattle we have here in Pennsylvania and the quality of care each one provides for their herd. The diversity in type and purpose is worth noting. We have superior performance type cattle, some amazing show cattle and some extremely efficient cattle converting grass into high quality and great tasting Angus Beef. I have also noticed, that crop conditions and weather patterns are highly variable for each of you. I hope that each one will have adequate feedstuffs for the winter. The calves this year that I have seen have been very healthy. Possibly due to the dry calving season?

The GREAT NEWS, commercial cattle prices are setting new highs weekly. This is an excellent time to improve your herd and facility. Forecasters such as Cattle Fax are predicting 2-3 more years of high prices as we rebuild the US beef herd.

I'm very proud of PA beef producers and the care they provide for their cattle. PA ranks as one of the nation's top states to be BQA Certified. If you have not yet been BQA certified, I encourage you to make that a priority this year.

In this newsletter you will find more information about our Breeder's Show results, annual meeting news, newly elected officers and directors, upcoming events, and most importantly the 2024 Eastern Regional Junior Angus Show, hosted by Pennsylvania Angus Association at the Farm Show Complex. This should be a great event, however, it will take many hands to make sure that it will be "THE SWEETEST SHOW ON EARTH". I'm hoping yours will be available to help!

Best wishes to each of you as you finish up your summer work and prepare for weaning. My contact info and your officer's and director's contact are in the front of this newsletter. Do not hesitate to contact us with questions, ideas or ways to improve our association.

God bless each of you and thanks for producing Great Angus Beef!  
Dennis Byrne

## American Angus Association Regional Manager Update

Greetings, Angus Breeders!

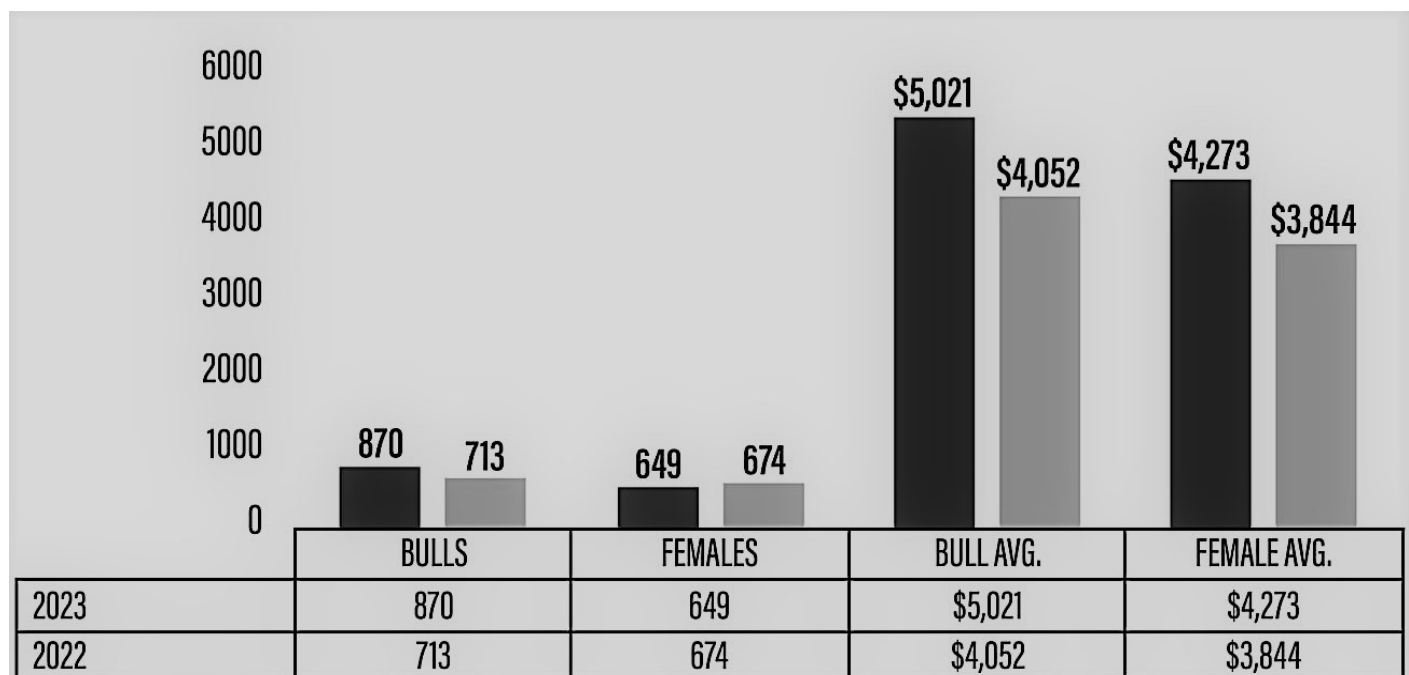

I hope all of you had a productive spring. A majority of our region experienced a mild winter and smooth transition into the new season. Most fall calvers have weaned off and spring pairs are hopefully tuned out on grass or looking for a buddy. With our customers in mind, I urge you to remind your bull buyers to perform an annual BSE on their herd bulls — for as we all know, open cows = sold cows.

The change in season provides a great opportunity to collect some amazing data in our region. From now to the middle of June, I encourage all members to record Hair Shed scores. Personally, I score my herd when checking mineral and pairs. I simply take a note pad with me and score as I go. I can't stress enough how important it to collect this data accurately. The Association has put together a handy how-to video to teach you how to score or serve as a refresher course. To view this video, visit: [www.youtube.com/watch?v=vySAaGbc8U&t=6s](http://www.youtube.com/watch?v=vySAaGbc8U&t=6s)

I hope to see everyone this summer and fall! If you have any questions, please don't hesitate to contact me.

Over the past few months, the Junior Association has begun planning the 2024 Eastern Regional which is being held at the Farm Show Complex June 6-9, 2024. The theme is "The Sweetest Show on Earth". We recently picked out a logo and topped off the adult and junior committee chairs. If you want to help with ERJAS in any way please contact one of the Junior Chairs for the show James Voight, Keirson Reasner, and Lee Sweitzer. Be on the lookout for fundraisers in the coming months.

Thirteen junior exhibitors attended the Atlantic National Angus Show in Timonium, Maryland with several making the top 5 in their classes. There were 33 Junior exhibitors at the PA Angus Breeders Show. The show results are in this newsletter. Congratulations to all!

We had 9 Junior exhibitors go out to Grand Island, Nebraska for the National Junior Angus Show: Kinleigh Grim, Kolton Grim, Lee Sweitzer, Raven Eisenhour, David Bell, Melinda Stoltzfus, Keirson Reasner, Rylee Stockdale, and Tori Hearn.
